IT'S MORE THAN A GAME

When kids play sport, they get more than just exercise. Besides being physically healthier, they have higher self-esteem and a healthier body image. The benefits of playing sports go far beyond the physical. Kids, who play sports, tend to perform better in school, develop better interpersonal skills and work better in groups.

GAMES, PRACTICES & TIMES

Practices begin the week of October 7th on Mondays, Tuesdays or Thursdays to be determined by the coach. All games and practice times are subject to change depending upon the weather.

All games will be played at Hinton Park behind PETAL CITY HALL. Games begin Saturday, October 19, 2019.

*Shin guards are mandatory
