Dear Parents,

We appreciate the confidence you have placed in the YMCA by entrusting us with your most precious asset... your child. We promise to do all we can to make your choice the right one. It is our intention to provide your child with a loving and caring atmosphere through guidance and training.

The next several weeks will contain some special challenges. All children go through an adjustment period when dealing with new situations. Being accepted as part of a group is a big event for children. Since each new child deals with change differently, we observe each closely to ensure a smooth transition.

Our goal is to provide a positive environment and variety of experiences that will allow your child opportunities to grow. The YMCA challenges children to accept and demonstrate positive values. Respect, Responsibility, Honesty, Caring and Faith are values emphasized in all Y programs.

This booklet contains the policies and procedures that govern our Day Camp Programs. We encourage you to get to know your child's counselors. Speak to our staff about all aspects of your child's experience and let us know of any special needs your child might have. We know you and your child will find your time at the Y a positive experience.

We look forward to working with you and your child.

Sincerely,

Matt Rumph

CHARACTER DEVELOPMENT

At the YMCA, we believe in reinforcing good behavior and teaching our campers the importance of our five core character traits: **Caring, Honesty, Respect, Responsibly, and Faith**. We recognize good character at camp by pointing out children who display these traits throughout the day through incentive programs.

Devotions are a daily time for campers to reflect on goals, experiences, and positive behaviors. If you have questions about this part of our day, please talk with your Child Care Director. It is not the intent or desire of The Family YMCA of SEMS or its staff to promote one religion or denomination over another. It is our hope, however, that the example we set and the values of **Caring, Honesty, Respect, Responsibly, and Faith** we teach are acceptable to those we serve regardless of their religion. We do have a devotional in the morning and say a blessing before meals, and we do celebrate Christmas and Easter.

BEHAVIOR EXPECTATIONS

At the YMCA of Southeast MS, our behavior expectations and discipline procedures are based on our core values of **Caring, Honesty, Respect, Responsibility, and Faith**. We believe in creating a safe, secure, and fun environment where all youth have the opportunity to learn the importance of demonstrating good character. We believe that in order to do this, all youth need to know and understand the rules and expectations for appropriate behavior. We also believe that when youth do not follow the rules or when they demonstrate inappropriate behavior, we have an opportunity to help youth learn from their mistakes. The YMCA promotes behavior guidance and discipline through creating a positive environment, developing structure and clear limits, promoting social and emotional learning, reinforcing our core values, and addressing challenging behaviors. The YMCA of Southeast MS youth programs use six simple rules to communicate behavior expectations to the youth in our care. The purpose of these rules is to ensure the safety of our campers and staff and to create a positive environment for all.

THE RULES ARE:

- Listen and follow directions.
- Do what's right.
- Keep your hands and feet to yourself.
- Try everything and do your best.
- Be an Upstander. If you see something, say something.
- Be safe and have fun!

All youth are expected to follow the rules established by the YMCA for the safety of all youth in the program. Your cooperation and support ensure that all youth have a safe and fun experience.

The YMCA does not allow the following behaviors including but not limited to:

- Any action that could threaten the physical or emotional safety of the youth, other youth or staff. Prohibited conduct may include, but is not limited to: abusive jokes, insults, slurs, threats, name-calling, or intimidation.
- Fighting or causing any physical harm to another youth or staff is strictly prohibited.
- Destructive behavior
- Behavior that is a violation of personal boundaries, is of a habitual nature, negatively impacts the program and/or the safety and enjoyment of others
- Behavior that is of a sexual nature

The YMCA uses positive discipline which means staff members promote desired behaviors through teaching and reinforcement. Staff will redirect or problem-solve with youth when they are not displaying desired behaviors, rather than restrict behaviors by taking away opportunities or controlling youth with fear of punishment. We believe this approach focuses on the needs of the youth and contributes positively to the youth's overall development.

Staff shall use positive discipline, which shall include the following:

- Communicate to youth using positive statements.
- Encourage youth, with adult support, to use their own words and solutions in order to resolve interpersonal conflicts.
- Communicate with youth by getting on their level and talking to them in a calm, quiet manner about the behavior that is expected.

YMCA DISCIPLINE PROCEDURES

If a youth is unable to meet established behavior expectations, YMCA staff will follow these disciplinary procedures below. The YMCA staff desire to partner with families of the youth in our care. If at any time you have concerns about your child's behavior or success in our program, please do not hesitate to reach out to your Childcare Director to set up a conference.

1. Conversation between staff and youth to discuss behavior and reset expectations.
2. Staff will first use positive reinforcement and redirection to redirect a youth's behavior. If this is ineffective, staff may use a timeout as an opportunity for the youth to take a break from the behavior before rejoining the group.
3. Directors will communicate with parents/guardians if/when youth is not following established YMCA rules. This communication may be at check out, over the phone, or via a parent conference.
4. If positive discipline and redirection are ineffective in changing the youth's behavior, the Youth Director may suspend the youth. The length of suspension will be determined based on each individual situation. Factors such as type/severity of behavior, behavior history, age of youth, etc. will be considered when determining the length of the suspension.
5. If the youth continues to have challenges after a suspension, the Director may set up a conference with the parent/guardian to develop a behavior plan for the youth.
6. If neither suspensions nor a behavior plan is effective in changing the child's behavior, the child may be dismissed from the program. Dismissal from the program for disciplinary reasons could result in permanent removal from all YMCA programs.
7. Removal is at the discretion of the Director.

SPECIAL CIRCUMSTANCES

The goal of the YMCA of Southeast MS is to meaningfully include all youth and provide accommodations in our programs when needed. To help us achieve this goal, we respectfully ask parents or guardians to inform the YMCA, prior to the start of the program, of any special circumstances which may affect your child's ability to participate. By providing information regarding the strengths and needs of your child, the staff can prepare helpful accommodations that will better serve all children in our programs.

Upon being informed of such circumstances, the Child Care Director may request a meeting to gather more information and discuss the accommodations that can be created to successfully include your child.

BULLYING AND CONFLICT RESOLUTION

Bullying is any unwanted behavior that involves a power imbalance. Here at the Y, our goal is to stop bullying, and we encourage our participants, parents, and staff to be Upstanders. An Upstander is one who recognizes when something is wrong and acts to make it right. If there is disclosure, discovery, or suspicion of bullying, we will handle each instance case by case and with care. At the Y we are building a caring, respectful, honest, and responsible community for all; the safety of our program participants is our main concern.

Conversely, we define conflict as a disagreement or argument in which both sides express their views and there is an equal power balance. We believe conflict with resolution is a natural and important part of Youth Development. Conflict can be constructive if managed in the right way. We will identify and resolve conflicts in a healthy and proactive fashion. The conflict resolution skills we learn and practice will make a positive impact on our Y programs and in every child's future.

TRANSPORTATION POLICIES AND PROCEDURES

- The Family Y Hattiesburg and Petal Family YMCA are responsible for the safe transportation of enrolled children, when such transportation has been authorized by the parent(s). This assumption of responsibility is subject to the following conditions and limitations.
- Only the Director, or a staff member assigned by the Director, may drive our vans or bus when transporting children enrolled in our programs. The vehicle will be maintained in safe condition to the best of our knowledge.
- Information about insurance on our vehicles can be obtained from The Family YMCA of SEMS Finance Director.
- All children, volunteers, and staff transported by The Family YMCA of SEMS staff must wear a seat belt. When parked on the street or in any traffic way, children will enter and leave the bus from the curbside. No child will be allowed to cross a street or traffic way without adult escort.
- Good order in the vehicle is essential to safety. Play will not be tolerated, and we reserve the right to refuse future transportation services to any child when that child's behavior is considered to be unsafe. Examples would include refusal to keep a seat belt on, not remaining in their seat, or excessive and distracting noise or movement.
- There will be no exception to the above policies other than in a medical emergency.

CARING STAFF

The YMCA prides itself on hiring quality staff that embody our Mission and have a passion for being a positive role model for children. Many of our counselors are college students. Staff members are selected through a comprehensive application and interview process.

Each staff member completes training that emphasizes the importance of safety, child development, and fun. All staff are trained in CPR, First Aid, AED use, and must pass a background check with CA/N cleared. The YMCA strives to maintain a 1:15 ratio for youth programs

In order to have fun and thrive, kids need to feel both physically and emotionally safe. When you drop your child off at a YMCA Day Camp, you can rest assured that their total well-being will be nurtured and supported by caring Y staff who are committed to ensuring that their experience is a great one.

Summer is a time for kids to be kids and Y day camp is the place to make each precious summer day a great one for *every* kid.

Contact the Mississippi State Department of Health if you have any questions, problems or complaints by calling (601) 960-7613. Complaints must reflect a clear violation of the regulations.
